Subject: Letter of intention to host F18 WORLDS 2019 at Puerto Sherry, Cádiz

Dear Members of the International Formula 18 Class Association,

The Andalusian Catamaran Class Association in collaboration with the Spanish F18 Class Association, and through the Catamaran's Vocal of the Club Náutico Puerto Sherry, Mr. Rafael Martín-Prat, would be honored to host the F18 WORLDS in 2019 on Bay of Cádiz.

El Puerto de Santa María is a leading city in organising sailing events since many years and where we have organised many World and Continental events during the last years. ISAF Sailing World Championships in 2003 was one of the most successfully event and still remembered into the Olympic fleet.

Cadiz's Bay is one of the best spots in the world for Sailing during the whole year and I think can be one of the hotspot F18 is looking for.

The host club is willing to work together with International Formula 18 Class Association in order to make a memorable F18 World Championship in 2019.

The Bay of Cádiz's pleasant sailing conditions, central location, and a range of accommodations for varying budgets, make Puerto Sherry a unique and exciting venue.

We believe that the class could benefit from such event to be hosted in the South European region and would result in new teams entering the Formula 18 Class races in the future.

We are looking forward to develop Formula 18 sailing in the South European countries and we hope the International Formula 18 Class Association to support this goal.

We would be privileged to host this event and Puerto Sherry will provide a spectacular location and the experienced Club Náutico Puerto Sherry deliver a memorable event for the participating teams, guests and visitors.

Yours sincerely
